

Birthday Parties

at

Ayrshire Equitation Centre

Looking for a party that's a little bit different? We have just what you're looking for!

Book a horse riding birthday party at Ayrshire Equitation Centre – it's the perfect gift for boys and girls who love to ride! The birthday girl or boy gets to have a 1 hour group lesson with up to seven of their friends.

The party group will have their own instructor and the riding school to themselves, with their lesson being full of fun! Parties can be catered to any ability – from absolute beginners to those that are confident in the saddle.

Each party lesson will be finished off with each rider being awarded with a rosette – a big well done for having a great time horse riding.

Our indoor club room is also available for exclusive hire. Perfect for continuing the celebrations and eating cake afterwards!
